

# PASTURE WALK

August 22, 2018

Demonstrating conversion of  
wildtype to novel endophyte  
fescue pastures for greater  
livestock performance and better  
environmental outcomes

Topics include:

- Conversion process
- Management of novel endophytes
- Comparisons of calf gains

Supper will be served at 6 PM, sponsored by:

Lake Country SWCD

Calvin Honeycutt's Farm  
1129 Honeytree Road  
Chase City, VA 23924

Please RSVP by calling the Southern Piedmont  
AREC at (434) 818-5545 by August 20.

If you are a person with a disability and desire any assistive devices, services, or other accommodations to participate in this event, please contact Margaret Kenny at the number above five days prior to the event to discuss those accommodations.

This demonstration is partially funded by a USDA-NRCS Conservation Innovation Grant.
